

SUPREME BRAND SOFT SHELLED CRAB

Share the World's Best

Supreme Brand Soft Shelled Crabs are farm raised to ensure the most tender and flavorful meat. They come whole cleaned and fully dressed with the eyes, mouth, gills and aprons removed.

Soft-shell crab is a culinary term for crabs which have recently molted their old exoskeleton and are still soft. Soft-shells are removed from the water as soon as they molt to prevent any hardening of their shell. This means that almost the entire animal can be eaten, rather than having to shell the animal to reach the meat.
